

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

MARTIN SIERRA and TYRONE BATTS,

Plaintiffs,

-v.-

RENUE SYSTEMS OF NY-NJ, LLC and  
JUSTIN CHODOS,

Defendants.

20 Civ. 399 (KPF)

**ORDER**

KATHERINE POLK FAILLA, District Judge:

The Court is in receipt of the parties' amended joint motion for preliminary settlement approval. (Dkt. #55-59). As currently drafted, the parties' proposed order granting preliminary settlement approval contemplates the Court's approval of attorneys' fees as well as service award payments to the Named Plaintiffs. (*See* Dkt. #59-7). The Court does not anticipate deciding attorneys' fees and service award payments until the final approval hearing. Accordingly, the parties are directed to submit both a revised proposed order and a revised proposed settlement notice reflecting those changes on or before October 14, 2021. Should the parties disagree with the Court's approach to these issues, they may instead submit a letter setting forth their position on or before that same date.

SO ORDERED.
